To Check Water Supply

—At Galiano

Acting on a report that water supply to Galiano school is unsatisfactory, trustees of Salt Spring School District, meeting recently at Ganges, authorized an immediate investigation of the supply.

Tenders will be called for the re-decoration of the interior of Pender Island school. Trustees approved a suggestion that the provision of a new paint in lighter color would considerably improve lighting.

J. B. Poubister, principal of Ganges school, expressed his appreciation of the work carried out at the school during the summer holidays. He commented that the school was in better condition than ever before. Trustees discussed the Ganges school situation which might arise in the event of a continued population increase on Salt Spring Island.

A committee was appointed to study and make recommendations regarding necessary additions to the school during the next three to five years. Members of the committee are Trustees C. F. Mout, A. D. Dane and M. F. Gardner.

Annual school board meetings will be staged throughout the Gulf Islands included within the district during the month of November. They will be located at the following points on the dates listed: Fulford, November 13; Pender and Saturna, November 14; Mayne Island, November 15; Galiano, November 16, and Ganges, November 19.

Present at the meeting were Dr. H. P. Johns, school inspector, and A. G. Blair, secretary-treasurer of Saanich School District.

New Form Of Chest Drive

New system of directing the Community Chest drive in North Saanich area is under way this year. Chairman of the drive in this area, Frank G. Richards, has stated that the dispersed nature of many homes in the area renders canvassing a greater problem to the volunteer canvasser than is the case in the urban districts.

Residents will be circularized by mail and will be invited to donate either directly to the Chest office in Victoria or to one of four business houses in the district. Each resident will receive an explanatory letter, a return envelope and a blank cheque form.

The donations will be accepted by Cornish Lending Library in Sidney; Deep Cove Trading Co. store at Deep Cove; Bazan Bay Store, East Saanich Road, and at The Review.

If the drive proves successful this system may be adopted regularly in future years.

The Chest aids 19 charitable and service agencies, most of whom extend assistance to the North Saanich district. It is notable, said Mr. Richards, that the agencies spent \$1,735 in this area last year. This was several hundred dollars more than was collected here.

Fined For Speeding

A sailor from H.M.C.S. Naden was convicted in Sidney R.C.M.P. court on Saturday of speeding in Sidney village. Robert Thomas Fitzsimmons paid a fine of \$20 and costs when he appeared before Magistrate F. J. Baker.

A juvenile was fined \$10 and costs for driving a motor vehicle without being in possession of a current driver's license.

Sidney Stands At Top

—Behind Saanich

Saanich Peninsula is the largest growing district in southern Vancouver Island. In this district Saanich municipality leads the population surge, with the village of Sidney in second place.

Figures released by Ottawa recently indicate the population trends since the 1951 census. They are based on the short census taken last year.

Ottawa has centred all lower island figures on Victoria, describing as Greater Victoria all the area of the city, Oak Bay, Esquimalt, Saanich, Central Saanich, Sidney and North Saanich. The whole area shows a population increase of 17.9 per cent.

At the top is Saanich with an increase of 33 per cent. Sidney shows an increase of 23.2 per cent. Next comes Oak Bay with 22.5 per cent. Central Saanich figure is 18.5 per cent. The City of Victoria shows a marginal increase of 3.4 per cent, with Esquimalt trailing at 0.2 per cent.

No accurate comparison is available for North Saanich. With a population figure today of 3,595, it is assessed that North Saanich has been close behind Sidney in the development of five years.

Population today, according to the figures of the census, show the following levels: North Saanich, 3,595; Central Saanich, 2,453, and Sidney, 1,274.

POLICE GRADUATE

Constable A. A. Schmidt, R.C.M.P. of Brentwood Bay, was among the officers graduating from the military course at Camp Shilo, Man. after a month's course recently.

SURPLUS FILL

Surplus fill from recent work on Royal Oak schools will be used to form a parking area against the high school. Cost of moving the fill will be \$100.

Hobby Show At Brentwood On Saturday

Annual function at Brentwood, the fall fair and hobby show, will be staged in the Brentwood Community Hall on Saturday evening, commencing at 7 p.m. The show will feature all kinds of productions of students and hobbyists. It has expanded steadily since its inception several years ago and this year is expected to show a record number of entries.

Near 100 Donations Pour In Fire Department Funds

Nearly 100 donations have already been received by Sidney Volunteer Fire Department since October 1, from residents of Sidney and North Saanich. These donations have been acknowledged by chairman of the fire committee, Cmdr. F. B. Leigh.

The influx of donations follows the appeal sounded by Cmdr. Leigh

to coincide with National Fire Prevention Week, which was observed last week.

List of donors follows: P. M. Porter, F. J. Baker, H. E. Kennedy, L. T. Thornley, Slegg Bros., Beacon Motors, Jas. Ramsay, Tudor China Shop, Beacon Market, G. Vickers, C. Janke.

A. Stephen, Miss E. Bate, F. A. Urquhart, Johnny's Barber Shop, Tommy's Swap Shop, Keopke Motors, Sidney Bakery, The Review, Miss D. L. Williamson, H. M. Taylor, A. E. Cross, Buckfield's, Elmor John, P. Belson, Arnie's Beauty Salon, W. T. Holder, C. P. R. Dalton, Mrs. M. K. Shrimpton, H. Spence, J. A. Taylor, Craigville Motel, Mrs. W. A. Spence, A. C. Foreman, Kindergarten Mothers, Bank of Montreal, R. Melville, Sidney Trading Co., C. Burrows, Hotel Sidney, Mr. and Mrs. R. D. Murray, J. N. Chapman, C. W. Elvin, Mrs. E. Kirkness, A. Calvert, W. Kynaston, Sidney Sporting Goods, Sidney Flower Shop, Sidney Freight, Sparlings.

J. Hagen, Rev. C. P. Orman, Sidney Roberts, H. J. Readings, C. C. Moutine, G. Burkmar, Donna Motors, E. J. Jones, P. J. Newling, G. H. Darling, Mrs. N. H. C. Fraser, F. W. Derry, Mrs. M. Harvie, Mrs. J. J. Hende, W. L. Taylor, Cochran's Shoe Store, Alexander-Gane, A. H. Griffiths.

Devon Bakery, Sidney Dry Goods, Mrs. Amy Barrow, H. Carter, Mrs. A. O. Berry, Tom Bow, H. W. Scardiff, Mrs. R. J. Morris, Gordon Hulme, Ltd., Potters Wheel, Sidney Furniture, Fox's Ladies' Wear, L. Gaze, Alex. Smith, J. D. Butler, Dan's Delivery, Mitchell & Anderson, J. C. Burbridge, Beacon Cafe, P. Poole, A. E. Bazett Jones, C. Erickson, R. W. Roof, Sidney Taxi, P. Earnshaw.

Scouter

J. REID HANNAN

J. Reid Hannan, air lines passenger agent and long-term scouter, was re-elected to head Sidney Scout Group Committee at the annual meeting in the Scout hall on Thursday evening of last week. Mr. Hannan, whose home is on Beacon Ave., is a member of the staff of T.C.A. at Patricia Bay Airport.

Opening the meeting, Mr. Hannan spoke of the need for more leadership. Unless more assistance is volunteered, he stated, it will be necessary to refuse applications for admission to the Cub Scouts, a step which must be avoided, if at all possible.

He announced the formation of sub-committees within the group committee, each charged with an important function, such as transportation, grounds maintenance, care of properties, and publicity. This will help to spread the load of running the organization.

Mrs. Winnie Bennett, district Akela, volunteered to assist with the Sidney Cub packs and suggested that the group amalgamate A and B Cub packs. This might ease the present leadership crisis, it was felt, but as Sidney is large enough to support two packs it could only be regarded as a temporary measure.

Others who addressed the meeting briefly on problems in Scouting and Cubbing included Ed. Mason, Scoutmaster; Al. Miller, Cubmaster, and Dr. W. Newton, a long time scouter in the Sidney district.

Other members of the group committee are A. R. Alexander, vice-chairman; Mrs. Reid Hannan, secretary, and Mrs. J. Flint, treasurer.

FROM GANGES

New Trustees For Hospital District

Recently elected to represent Salt Spring Island on the board of Lady Minto hospital were H. C. Geigerich and Sidney Quinton. The two newcomers to the board will guard the interests of the ratepayers of the island in future deliberations of the board.

Mr. Geigerich is a retired mining engineer and Mr. Quinton is a former merchant.

Mr. Geigerich is a native of B.C. He was born in Alnsworth and graduated from U.B.C. Prior to his entry into the mining world he had

(Continued on Page Four)

Postal Problems

One new resident of Sidney has paid his last year's tax along with a penalty which he feels he did not entirely deserve.

A year or more ago the gentleman, who resided then in another province but owned property in Sidney, received his normal tax notice, he wrote out a cheque in this amount and placed it in an envelope addressed to "Secretary-Treasurer, Municipality of the Village of Sidney, Sidney, B.C." The letter was gone a long time—but was eventually returned to him stamped: "Insufficiently Addressed."

He has now paid last year's taxes in full, however, and is gradually adjusting his mind to being penalized for the interest which he had to pay because his cheque was not received in time.

ANOTHER PROBLEM

A businessman of North Pender Island called The Review recently because his written instructions had not been carried out. He mailed a letter to The Review on Friday, Oct. 5 while he was visiting Salt Spring Island. The letter was delivered to The Review by the Sidney post office on the morning of Thursday, Oct. 11.

The Review's correspondent felt that six days for the delivery of a letter from Salt Spring Island to Sidney was rather a long time.

School Accommodation Still Critical Trustees Are Warned

—Three-Year Program Nearly Completed

Shortage of school accommodation in the near future in Saanich School District was forecast by two school trustees on Tuesday evening. The forecasts were made at the meeting of the School District. The district is still engaged in fulfilling a building program approved last year by ratepayers of the district.

The trustees heard two warnings of the need for new school buildings. Said Trustee G. F. Gilbert, "We're going to be crowded out in a year." Mr. Gilbert was referring to the need for the new school at Wains Cross Road. The by-law committee will investigate the projected location of the school immediately.

Trustee George Chatterton was equally pessimistic of the future. "The three-year by-law should have been a one-year by-law," he told the board. The present building project was undertaken to meet the needs of the school district anticipated during the three years ensuing.

LOCATION

School Inspector Dr. Harold Johns is to report to the board on the suitable locations for the two classrooms authorized for construction where they may be needed. Mr. Chatterton also suggested that any surplus funds in the by-law account be devoted to the construction of a third such classroom.

Mr. Chatterton, who is chairman of the by-law committee, announced that Royal Oak high school would be completed by November 13. Other schools will be ready on the dates listed: classrooms at North Saanich high school, December 15; Townsend Drive, November 5; Brentwood and Sidney activity rooms, October 31; Sansbury school, November 3. Cordova Bay and McTavish schools have now been extended and the new structures at both schools are now in operation, he reported.

In the planning stage is Mount Newton high school alteration program.

The board also authorized a number of projects concerning school grounds, including the gravelling of driveways at Townsend Drive and Royal Oak schools.

HONOR PIONEER

Request from the Parent-Teacher council of Saanich Peninsula that the schools be named in honor of some Saanich pioneer was heard and the Saanich Pioneer Society will be invited to make a recommendation for names for Townsend Drive school. This action was taken following the recommendation of Trustee R. C. Derrinberg.

Trustees were not wholly in favor of naming schools in such a manner as to offer no indication of their location. Obvious name for the school at Townsend Drive was Beaver Lake school, commented Mr. Chatterton.

DIRECTS DRIVE IN CENTRAL SAANICH

Chairman of the Community Chest drive this year in Central Saanich municipality is George D. Moody, of Brentwood. Officer of the B.C. Electric Co. at the Tod Inlet plant, Mr. Moody has gained considerable experience of the duties connected with the Chest in previous years.

The director is concluding his arrangements for the area canvass. There was no canvass in Central Saanich last year.

TO BALLOT BY MAIL

Phone Subscribers To Be Invited To Vote on Calls

Charges on calls between Victoria, Keating and Sidney, will be abolished if a proposal by B.C. Telephone Company is voted into effect.

Telephone officials in Vancouver stated that details of the plebiscite which they intend to place before subscribers in the two Saanich Peninsula exchanges have not been ironed out, but that the company's engineers are studying calling patterns in the area.

The new system of "free calling" would not go into effect until Sidney and Keating are out over to automatic operation in 1958, so that all calls would be dialed into and out of Victoria by subscribers themselves, without the help of an operator.

The company spokesman said that all details concerning the rates to be paid, and any other information necessary for the telephone users to make their decision will be made public before the plebiscite was taken. The plebiscite will be taken by mailing ballots to all subscribers in the area concerned.

LIMIT

At present, work is going ahead on up-grading of service throughout Sidney and Keating, with a maximum line limit of six parties as the goal. This has been reached in Keating, where there are no more than six parties per line, and the few remaining lines in Sidney which

have more than six parties will be up-graded next year.

The conversion program which is scheduled for completion late in 1958, will require the erection of two new buildings, one in Keating and one in Sidney to house the automatic equipment. These buildings are in the early planning stages.

One of the main features of the new automatic system will be the introduction of fully selective ringing, wherein the subscriber on a party line will hear only his own ring.

TO INAUGURATE KINDERGARTEN AT DEEP COVE

Kindergarten has been inaugurated in the Deep Cove area by a group of mothers who found Sidney too far for the pre-school age children to travel. Teacher of the new school is Mrs. F. Starr, Patricia Bay.

The new school will open November 1 at St. John's hall. There will be a preliminary meeting in the hall on Thursday evening, Oct. 25.

TO CUT TREES

Two dead cut trees near Millar's Landing were ordered to be cut down by Central Saanich council last week. The trees stood on the area adjacent to the park property, but it was considered that they were a danger to the public and must come down.

WEATHER DATA

SAANICHTON
The following is the meteorological record for week ending Oct. 14, furnished by Dominion Experimental Station:

Maximum tem. (Oct. 9)	60.0
Minimum tem. (Oct. 13)	40.5

Maximum tem. (Oct. 9)	61.0
Minimum tem. (Oct. 13)	36.4
Mean temperature	48.3
Precipitation (inches)	0.69
1956 precipitation (inches)	21.11

AIR FARE FRIGHTENS HIM

His Fare To Britain Was \$85 and Cost of Dentures

There's a long time resident of the Saanich Peninsula who is thrice blessed. He has attained a venerable age, he enjoys excellent health and he is still a bachelor.

Periodically he thinks of visiting his two sisters in England. But he shudders to think of the journey.

He has made seven crossings of the Atlantic—and has been violently seasick each time. He first came to Canada from his native England in 1890. He returned in 1892, again in 1902 and made his last voyage in 1911. This final sailing discouraged him from trying it again.

NO TETH

"When we were off the southern coast of Ireland, I was so sick that I lost my dentures," he recalled. "As my health improved I was able to resume going to the dining room where the food was excellent. But with no teeth I could not do justice to the food which I had paid good money for."

"On my return to Winnipeg it cost me \$10 to have a dentist replace the lost dentures," he mused.

Now his sisters are urging that he return again to England for a visit. He'd like to go but doesn't feel equal to battling sea sickness all the

way there and all the way back to Canada.

Why not fly? he was asked.

The sage replied that he had no objection to trying flying as a quick means of transportation. But he has not inquired the price and is a trifle nervous about doing so. Back at the turn of the century, when he made his fairly frequent pilgrimages to England, he was accustomed to buying a return ticket from Winnipeg to Britain for approximately \$85. He's afraid that inquiries might indicate that prices have advanced somewhat during the last 40-odd years.

MEETING PLANNED TO STUDY WINTER FERRY SCHEDULE

Pender Islands' Farmers Institute and an organization of residents of Saturna Island have formally protested against the present winter schedule of the car ferry Cy Peck. The vessel operates on regular schedule between Ganges, Swartz Bay and the outer islands.

Gavin C. Mout, president of Gulf

Island Ferry Co., operators of the vessel, has suggested a meeting of delegates from Galiano, Mayne, the Penders and Saturna, along with the ferry company and representatives of the department of highways. This meeting has been arranged for Ganges on Oct. 23.

Pender Islanders are chiefly dissatisfied with the schedule for providing what they term an unnecessary number of calls at Ganges, and for the limited time allowed on Vancouver Island the two days a week return trips are made to Swartz Bay.

"Pender Island residents have a warm regard for Salt Spring Island residents, but feel a business holiday to another Gulf Island was not the motivating force behind the joint struggle to obtain direct ferry to Saanich," was remarked by a member of the transportation committee at a week-end meeting to discuss the situation.

Meanwhile, the regular bi-monthly meeting of the Pender Islands Farmers' Institute has been called for Monday night, Oct. 22, in the Port Washington hall, and open to the general public to discuss transportation problems.

SIDNEY COMMISSION COMMENTS

(BY COMMISSIONER MRS. V. COWAN)

It was brought to my attention recently, that the Sidney village commission meetings are conducted with a great lack of parliamentary procedure. I have given this a great deal of thought since then.

Being the informal type myself, I know I have always enjoyed a less formal type of meeting, and find that more work can be accomplished in a relaxed friendly atmosphere. However, I am new at this type of meetings. How do you feel about it?

Very soon now you will be hearing and reading that Commissioner so-and-so did this or that, or didn't do such-and-such, throw him out, elect someone else. With elections not too far away, start now to think for yourself. Oh, granted, if you didn't get the sidewalk you wanted or your road isn't fixed yet to suit you, you will no doubt be displeased. But, take a look at the whole village—has a good job been done so far? Could more public works have been completed if instead of amicably discussing problems, the commissioners hurled threats and invective at each other, and argued for the sake of arguing?

Could more have been accomplished if the meetings had been more formal? Perhaps our critic has a point and no doubt we could have accomplished the same thing and still adhered more firmly to parliamentary procedure, and the added dignity of a more formal atmosphere might not be amiss.

MORE SIDEWALKS

The public works committee met last week-end to discuss the laying of 1,000 more feet of sidewalk before winter. The chairman informs me that the other two members of his committee recommended that the same formula be followed as had previously decided the sidewalks on Orchard Ave. and Third St. The reason was, if you remember, to try and extend sidewalks to

Around Town

MRS. W. J. WAKEFIELD. PHONE 320X

Mrs. R. C. Sparshatt returned to her home on Third St., after attending the wedding of her sister in Germany.

G. Moore, who suffered a heart attack at his home on Third St., last week, is a patient at Rest Haven hospital.

R.C.M.P. Staff Sgt. J. H. Reid is taking a refresher course in Regina.

On Thursday, Mrs. K. Cantwell, Third St., and Mrs. A. A. Hopkins, Second St., were joint hostesses at the home of the latter when they entertained in honor of Roslyn Cantwell and Wendy Hopkins who celebrated their birthdays. A beautifully decorated cake bearing their names was admired and enjoyed, and flashlight pictures were taken throughout the afternoon. Little guests were Garry Shade, Arley Hopkins, Marlene Sparshatt and Robbie Cantwell.

Mrs. B. Hopkins, of Medicine Hat, is expected this week at the home of her son and daughter-in-law, Mr. and Mrs. A. A. Hopkins, Second St.

At the monthly meeting of Kindergarten Mothers held this month, officers elected were: president, Mrs. M. Anderson; secretary, Mrs. C. Butterick. The classes are held in the Masonic building and at present there is an enrollment of 24 pre-school children. Mrs. Heal, of Saanichton, is in charge of the teaching of classes held from 9.30 to 12 week-day mornings.

Gary Shade, son of Mr. and Mrs. H. D. Shade, Second St., had his fifth birthday recently and little guests helping him to celebrate the occasion were Ronnie and Bobbie Martman, Arley and Wendy Hopkins, Roslyn Cantwell and Donnie Wallace. A tastefully decorated table was centred with a beautiful cake and pictures were taken to commemorate the event.

Mr. and Mrs. George Graham, of White Rock, formerly of Ardmore, are guests at the homes of Dr. and Mrs. Robertson, McTavish Road, and Mr. and Mrs. Ed. Hay, Cyprus Road.

On Wednesday, Oct. 10, ten little girls and boys invited to celebrate Sandra Bradley's fourth birthday, arrived with gaily wrapped parcels. They were Elaine and Sharon Trippe, Elaine Eyckerman, Joyce Gardner, Mimmi Henriksen, David Elliott, Connie Morris, Cindy Du Temple, Jenny Mason, Calvin Tremblay. In addition to the young people, older guests were Mrs. W. Gardner, Mrs. Morris, Mrs. Du Temple, Mrs. Eyckerman, Mrs. Mason, Mrs. Trippe and Mrs. Roberts. Balloons were given to the little guests, pictures taken, and Pattie Bradley assisted in the playing of games. A birthday cake centred a tastefully decorated table and ice cream and soft drinks thoroughly enjoyed.

Mr. and Mrs. Glen Searle have returned to their home on Lochside Drive after travelling by car and trailer to California.

SCHOOL GROUP LOSES SCHOOL IN CHANGEOVER

A meeting will be held on Wednesday, Oct. 24, at 8 p.m. at the McTavish Road school, by members of the Patricia Bay-McTavish P.T.A.

Objective of the evening will be, with the approval of all members present, to formally dissolve the Patricia Bay-McTavish P.T.A., and, again with the approval of the members, to form a McTavish Road school P.T.A.

In view of the distribution of the Patricia Bay elementary school pupils to various schools in the district, the allocation of the funds and effects of the Patricia Bay-McTavish school P.T.A. to the P.T.A.'s of these schools will be under discussion.

Mrs. P. Orchard, president of the Patricia Bay-McTavish P.T.A. and Miss J. Chamberlain, principal of the McTavish Road elementary school, will be chairman for the evening's discussion and election of officers, and it is hoped that there will be a good attendance of old members, and new members will be gladly welcomed.

GUIDE NOTES

A CALL TO THE BROWNIES

Summer has gone with its fun of picnics, swimming, and so on, and now the fall is here with its lovely colors, and it would seem to be time for Little People to gather round the Toadstool, so Brown Owl and her Tawnies are telling the Brownies to gather round on Tuesday of next week, October 23.

PAULETTES MAKE PLANS FOR TEA

Sixth meeting of the Sidney Paulettes was held in St. Paul's Church parlor, recently.

The coming tea was discussed and committees for it were decided. Donations will be gratefully received. Two new members, Jackie Anderson and Marilyn Iverson, were welcomed to the group.

Mrs. C. Whipple read from "The Greatest Story Ever Told", and the meeting was adjourned with taps.

GROWER ADDRESSES GARDEN CLUB ON GROWING OF BULBS

North Saanich Garden Club held its first meeting of the fall season in Sidney Hotel on Thursday evening. H. Bartle presided and welcomed the numerous guests and invited them to join the club. He then introduced Dr. W. W. Bryce, who showed a large number of colored slides of flowers, local beauty spots and mountain scenes.

After extending the thanks of the club to Dr. Bryce for showing so many fine pictures the president introduced W. E. Lake of Saanichton.

Mr. Lake outlined the various classes of entries in the spring flower show for which he has donated valuable prizes in the form of tulip bulbs. He has been growing tulips for over 40 years in Canada and has some rare varieties in his collection. His remarks on sizes and types of bulbs were of great interest to the tulip growers present. Mrs. Melvin Johnson, of Saanichton, won the door prize.

The following officers were elected for the coming year: president, Jack Watson; secretary, Miss Andrews; treasurer, Ben Andrews; publicity, D. G. Huntley.

Mrs. MacFarlane Is New President Of Brentwood W.I.

Mrs. J. P. MacFarlane was elected president of the Brentwood Women's Institute at the annual meeting on Tuesday of last week.

The Brentwood Women's Institute held their annual meeting on Tuesday afternoon, when Mrs. R. Ronson presided and 19 members attended. The president read the W.I. Ode and after the reading of the minutes and financial report the monthly news letter and correspondence were read. An invitation from Weston's Bakery for a tour and lunch was accepted with thanks. A donation was sent to the Unitarian Services. A reply was sent to a letter from the Canadian Mental Hygiene Organization stating that the members are willing to help and asking for more details. The president gave an interesting report on the year's work and reports were given by the various committees as follows: financial, Mrs. H. Wood; house, Mrs. E. Wood; solarium, Mrs. C. Douglas; cultural, Mrs. A. Cuthbert; handicrafts, Mrs. J. Combe; citizenship, Miss I. Howard.

Other officers elected were: vice-president, Mrs. W. Parker; recording secretary, Miss I. Howard; treasurer, Miss E. Howard; corresponding secretary, Miss K. Worthington; directors, Mrs. V. Wood and Mrs. P. Littlewood. Tea was served during the afternoon.

Home Nursing Course Is Planned Here By Health Council

Regular quarterly meeting of the North Saanich Health Council was held in the Sidney Elementary school recently, with members of 11 organizations present.

Plans were completed for the Tag Day on October 6, which yielded the sum of approximately \$60, to assist with the dental health program.

There are still a few vacancies for children of pre-school age, and

SCHOLARSHIP FUND SOUGHT BY HIGH SCHOOL

Forty-eight persons attended the Mount Newton P.T.A. meeting, which was held in the school auditorium on October 9, with the president, James Nimmo, in the chair.

The program dealt with the present school curriculum. Principal J. Loti spoke briefly of the courses assigned by the department of education for the whole high school period, and K. Buffam and J. Forge spoke of the difference to the student, between the university and general course.

Mount Newton P.T.A. is working hard to obtain sufficient funds for a yearly scholarship, and toward this end there will be a Mount Newton P.T.A. pie stall at the Brentwood Community Club fall fair being held in the Brentwood W.I. hall on October 20.

Mrs. Harold Andrew is convener of this committee, and all donations of pastries will be thankfully received by phoning Keating 17G, or Mrs. Hugh McDonald, Keating 155X.

There is also a ham hamper in connection with this project. All funds will assist in the achievement of a permanent yearly Mount Newton scholarship.

grade 1, in the dental clinic and parents are asked to get in touch with Mrs. G. R. Stuart at 95-R as soon as possible.

There have been several enquiries concerning Red Cross home nursing course. The council decided to sponsor another course, provided enough applications are received. Anyone interested in the course is asked to get in touch with Mrs. J. H. Crossley at Sidney 36-Q, so arrangements can be completed at an early date.

A most interesting film was shown by Mrs. Jordan, public health nurse for the district. Mrs. Jordan also spoke briefly on the importance of visual instruction and offered to arrange for films for any organizations of the district.

CENTRAL SAANICH

SAANICHTON

Keating 200

Regular monthly women's missionary meetings are to begin at the Rashleigh home in Saanichton on Thursday, Oct. 18, at 2.30 p.m., and will be held on the third Thursday of every month during the winter. Speaker at the opening meeting this week will be Miss Jay McCarthy, niece of George and Albert McCarthy, Oldfield Road. Miss McCarthy is with the Wycliffe Translation Mission in Mexico.

Mr. and Mrs. A. Fischer, of Winnipeg, have moved out to this district, arriving last Wednesday, and at present are residing with their son and family, Mr. and Mrs. S. Fisher, Simpson Road, Saanichton.

HE IS NOT YET IMPRESSED BY NIGHT CLASSES

Eight evening classes are in operation throughout the Saanich School District. Night School Supervisor A. W. Murphy told The Review this week that response to further classes had not been forthcoming. If any particular class is still sought Mr. Murphy will still make every endeavor to inaugurate it.

The classes are V.L.A. build-your-own-home courses at Royal Oak and Patricia Bay; typing, dress-making, woodworking and square dancing at Mount Newton and typing and boatbuilding at Patricia Bay.

Reaction of the school trustees on Tuesday evening was less than enthusiastic. Trustee G. L. Chatterton, sponsor of the appointment of a supervisor, was bitterly critical.

"Our night school program is a complete flop," he told the school board.

NEW VICAR

REV. GEORGE HARRINGTON

On Friday evening, more than 100 people gathered in Brentwood W.I. hall to greet Rev. and Mrs. George Harrington.

The Rev. Harrington is new vicar at the Brentwood College Memorial Chapel. He and Mrs. Harrington have recently come from Richmond, Quebec, and will reside at the vicarage on Sea Drive, Brentwood. The party was arranged by the Church Committee and Chapel Guild, and the hall was decorated with autumn leaves and flowers. The ladies of the guild provided and served the refreshments.

The new vicar has served for 40 years in Canada, having already gained considerable experience on the eastern coast of the Dominion. He was a missionary on the Labrador coast 30 years ago. For five years he frequently had recourse to a dog team. The minister does not anticipate using the same mode of travel on the west coast.

Mr. Harrington has spent most of his time in Quebec, including Arvida, Kenogami, Stanstead and Richmond. He was at Richmond before coming out to Brentwood. The vicar takes the place of the Rev. Norman A. Lowe, who is now in California.

When the party is over, be sure you check all the ashtrays, the cushions on the chesterfield or chairs to be sure no one has left a burning cigarette. The precaution may save your life.

BRENTWOOD

Newcomers to the district are Mr. and Mrs. A. Annadale, from Trail, who have taken up residence in their new home on Beach Drive.

The Brentwood W.I. Choir have again started to practice, they have not been meeting during the summer months. Practice will be held every Wednesday night at 7.30 at the W.I. hall and new members will be welcomed. The choir will be working on a Japanese Operetta which their leader, Mrs. A. Cuthbert, hopes to put on early in the new year.

Mr. and Mrs. G. Bickford have their little granddaughter, Sharon Joy Schmidt, staying with them for three weeks while her parents are spending a vacation in Mexico, where they went by plane, leaving from Patricia Bay Airport last Saturday.

Mr. and Mrs. Geo. Williams have returned from Nova Scotia, where they went early in the summer to visit relatives. Mrs. Williams was taken ill while away and has been in hospital for some time, she has now been taken to Rest Haven hospital. Her many friends are happy to hear of her return and hope she will soon be well enough to leave the hospital. She has been greatly missed for she was a member and

NHA SMALL HOUSE DESIGNS

A long planting area, wide eave overhang and generous corner window arrangement are among the eye-catching features of this new, three-bedroom bungalow designed by architect M. G. Dixon, of Ottawa.

The busy housewife appears to have gained the special consideration of the architect in the planning of this house. Note the complete separation of the living and sleeping areas, always a prime aim in family accommodation. There is space in the large living room for dining on special occasions but other meals can be served in the bright kitchen which has a compact arrangement of cupboards, counters, equipment and closets. Note also the handy side entrance with direct access to the basement and bathroom, another attempt to make it easier for the housewife to attend to the needs of young children.

The total floor area of the house is 1,092 square feet and the cubic measurement is 22,200 cubic feet. The exterior dimensions are 40 feet by 29 feet. Working drawings for this house, known as Design 248, are available at minimum cost from Central Mortgage and Housing Corporation.

EXPANDING GREATER VICTORIA

RESIDENTS of North Saanich and the Village of Sidney were surprised to note that their home communities had been encompassed as part of Greater Victoria for purposes of census figures. The same ruling applied to Central Saanich as well.

Now it is interesting to note that the percentage of growth of both Central Saanich and the Village of Sidney during the past five years has been greater than that of the City of Victoria. It is impossible to separate North Saanich's figures for comparison. It may be that some business houses in the city may gain because of the higher figures shown as trading area. This is understandable. But so far as this newspaper has been able to determine, the people of Central Saanich, North Saanich and Sidney were not consulted to ascertain their views as to whether they wished to be embraced as a part of Greater Victoria for census purposes.

But if this growing part of the Saanich Peninsula is to be considered an integral part of Greater Victoria, by all means let us be consistent.

So far as the B.C. Electric Co. is concerned, we are all part of Greater Victoria. Within the last couple of weeks this advantageous rate parity has been announced. It's a different story with the B.C. Telephone Co. so far, however. There is one manual exchange at Keating and another at Sidney. Victoria, or what used to be known as Greater Victoria, is entirely separate and distinct from a communications standpoint. There is every prospect of this disadvantage being corrected — but there is no Greater Victoria telephone exchange embracing Central Saanich and North Saanich yet.

Next point worth considering is water. For many years there has existed the Greater Victoria water board. No doubt it has done a very good job, so far as it went. But not one gallon of water from the Sooke watershed has yet reached Central Saanich and North Saanich. Despite the crying need for an adequate supply of domestic water in the northern portions of the Saanich Peninsula, the Greater Victoria water board apparently does not consider this district an important part of Greater Victoria.

Exact definition of Greater Victoria is difficult. Residents of North Saanich learned with sincere regret recently of the passing of a long-time resident who had won the Empire's highest military decoration. They read in the press that this gentleman had been a Victoria man for about three decades. So it is a reasonable conclusion that if a Sidney man holds the Victoria Cross, he is considered to be a resident of Greater Victoria.

But in other fields, it is different. When an unfortunate Sidney girl is involved in a rape case, she is definitely not a Greater Victorian. She is a resident of Sidney and nowhere else. When a North Saanich man is bibulous and is convicted of being impaired by alcohol while in charge of his car, is he a Greater Victorian? Never. He is never anything but a North Saanich man.

Perhaps all these matters are trivial after all. But there may be one constructive thought in this regard. Let us go back to water for one moment. British Columbians recently returned to office with an overwhelming majority a government pledged to expansion. The people at the polls told the government to go ahead and develop this province. Now is the time for the Greater Victoria water board to approach the government for concrete help in extending Sooke water northward to every cranny of the Peninsula. Unless we're very mistaken the government will prove itself most willing to co-operate. When that is done those served by the water will be much more willing to consider themselves as an integral part of Greater Victoria than they are today.

TIME PASSES ON

THE Review received with genuine regret this week notice of the retirement of its pioneer correspondent on Salt Spring Island. As a news writer she has served this paper faithfully for the past decade and a half.

This newspaper has served its territory, of which Ganges is an important segment, for the past 44 years. For a third of that long period this esteemed lady has covered the news from there methodically week after week.

It was away back in the days when Hugh J. McIntyre — then a mere stripling — directed the affairs of The Review that the lady associated herself with this newspaper. She has seen much development on Salt Spring Island since that date — and has contributed materially to this growth by her faithful news reports. She is entitled to a feeling of complacency over a good job, well done.

Reflections From the Past

10 YEARS AGO

Eight turkeys were returned to James Anderson, Isabella Point Road, Salt Spring Island, last week, after a brief journey. The birds had been stolen by three men who later appeared in court. Police Officers E. W. Lockwood and R. Cowan recovered the turkeys.

Fund has been opened on North Pender Island for the construction of a community hall. Site has already been donated by S. P. Corbett, of Hope Bay. Objective is \$3,000. The projected new building is planned to take the place of the present Port Washington hall, which is more than 30 years old.

New water main will be laid on Beacon Ave. this week. The project undertaken by Sidney Waterworks District, is likely to be the only new construction this year. The district is still beset with supply difficulties and a new well in the vicinity of the pump house has already been sunk 10 feet.

After a month's visit to Edmonton, visiting his father and mother.

Meditation

Ye shall seek Me, and find Me, when ye shall search for Me with all your heart.

20 YEARS AGO

In-law, Pat Crofton returned to Ganges on Thursday. Laurie Moutat was elected president of the Ganges Badminton Club at a recent meeting in his home. Other officers are secretary-treasurer, Mrs. Alan Cartwright; captain, Jim Anderson and Mervyn Gardner; social committee, Mrs. L. R. Snow and Mrs. A. Young.

Sgt. Tony Hornby, who recently returned from overseas, having spent the past 18 months in Germany, is spending his leave with his parents, Mr. and Mrs. W. Hornby, prior to his discharge.

Commencing on November 1, services out of Patricia Bay Airport currently operated by Canadian Pacific Airlines will be taken over by Trans-Canada Air Lines.

Miss M. Blackburn was elected captain of the ladies' section of Ardmore Golf Club on Thursday. Other officers are: secretary-treasurer, Mrs. B. N. Taylor; committee members, Miss E. V. Gwynne and Mrs. C. F. R. Dalton.

Salt Spring School District board of trustees have formed the nucleus of a bursary from which outstanding students in different schools will be awarded prizes. The fund has been opened entirely by voluntary donations. Present at the meeting on Monday, when the bursary

Industry and commerce, two abstract commodities so essential to the life of Saanich and all Vancouver Island, are unable to threaten the beauty of the country. The industrial centres are always surrounded by magnificent scenery and the backdrop is rarely soiled by smoke. Nature lends herself to beauty even in industry in British Columbia.

They Cannot Mar This Picture

was announced, were Gavin C. Moutat, S. P. Corbett, W. P. Higginbottom and A. W. Drake.

20 YEARS AGO

H. Despard Twigg, secretary of the Island Provincial Association, will address a public meeting in Stacey's hall on Friday evening, when he will outline the movement to make Vancouver Island a separate province. A. W. Hollands will take the chair during the meeting.

Unique service at St. Andrew's Anglican church in Sidney on Friday evening marked the formal presentation of the chimas to the church and residents of the Sidney area heard them ring for the first time. Taking part in the ceremony were Rev. J. S. A. Bastin, Rev. Canon A. Hazellhurst, Very Rev. C. S. Quainton and the rector, Rev. T. R. Lancaster. The bells were the gift of the dean and wardens of Christ Church Cathedral.

Book now for the Old Country! King's Coronation next May. Adv. Mrs. Earl Howard returned to her home at North Salt Spring on Wednesday, accompanied by her infant son. She has been a patient in Lady Minto hospital.

Mr. and Mrs. Art Sproule and E. Eastman, who have made their home for the past four years on the Fry property at Pender Island, have moved to Bedford Harbor. They will spend the winter with J. L. MacDonald on the Adams ranch prior to building on their newly acquired property adjoining.

Rev. Thomas Keyworth and his son, Melbourne, returned last week from a 1,100-mile motor trip having travelled as far as Ottawa. Mr. Keyworth attended the annual meeting of the pensions board of the United Church while in Toronto. He has now resumed his duties at the United church in Sidney.

Randolph Bruce challenge cup for the best entry in the junior garden contest was awarded to Joe Johnson of Mr. and Mrs. Joe John. On Thursday evening at the special children's night at the North and South Saanich Agricultural Society, other winners were R. C. Primeau, Kirby Hammond, Doreen John, Dorothy Adams and Gordon John.

Donations to the Lady Minto hospital at Ganges during the past month have been acknowledged from the following: Mrs. Fred Walters, Mrs. C. E. Beddis, Mrs. G. Cunningham, Women's Institute, F. W. Hewson, Mrs. G. J. Moutat, Mrs. S. P. Beech, Mr. and Mrs. A. Inglis, Mrs. McFadden, Dr. Lawson, Mrs. H. Noon, Mrs. T. Reid, Mrs. W. Wilson, St. Mary's Anglican church, Mrs. Shaw, Mrs. F. Westcott, Ladies' Hospital Auxiliary.

30 YEARS AGO

First white woman to make her home on Salt Spring Island, Mrs. J. Akerman, celebrated her 60th birthday on Monday.

Proposed new tourist venture on Salt Spring Island is to be the Puget Sound Club. Expenditure of \$2,900,000 is reported to be currently contemplated in the construction of a fashionable seaside and country club to rival any on the Pacific coast. Linked to the report is the name of Clarence Martin, wealthy New York and Californian realtor. The project is reported to embrace 10,000 acres on southern Salt Spring Island, from Isabella Point to Mudge's Landing.

Annual meeting of the Lumber Grading Club in connection with Sidney Mills was held on Tuesday in Sidney school. Officers for the year were elected as follows: chairman, T. Reid; secretary, T. Reid; Arthur Prince; secretary, T. Reid. Committee chairmen include R. W. McKay, J. Manning, A. Daniels, J. Anderson, J. Peters and W. Bowers.

200 YEARS OLD

Chesterfield's Letters To His Son, which are nearly 200 years old and which are still quoted widely gave rise to the term "Chesterfieldian" for ultra-good manners.

MORE ABOUT TRUSTEES

(Continued From Page One)

seen service with the Canadian forces overseas during the First World War. He spent five years in private practice after his graduation in 1924.

Mr. Geigerich then joined the staff of Consolidated Mining and Smelting Co. as examining engineer. In 1935 he turned his back on Trail and settled on Salt Spring Island, which represented his ideal retirement setting. He held the office of superintendent of outside exploration and outside mines at the time of his retirement.

WIDE TRAVEL

The trustee of the hospital district is a widely-travelled man. While serving with Cominco he travelled from Yellowknife to Quebec, spending most of his time in the north country. He ultimately settled in Trail to make his headquarters in 1937. He has four children and six grandchildren.

Mr. Quinlan, a native Englishman, was a banker until the First World War. He holds from Norwich, Norfolk. In 1908 he sailed for Canada and joined the staff of the Canadian Bank of Commerce. When war broke out in 1914 he enlisted with the 76th Battalion, Winnipeg Grenadiers and later gained his commission. He won the Military Cross while in France.

In 1919 Mr. Quinlan returned home and severed his direct connection with banking. He went into business in Winnipeg with his brother and finally became Quinlan's Ltd. In March of this year Mr. Quinlan retired and came out to the island. He has three children and eight grandchildren.

Allegiance

(By D. Frances Saville)

This is our land, the land of our adoption.

Here, to this earth, we will, by earth's absorption, please pay allegiance. Here today whilst living.

We recognize the fullness of its giving.

Sunlight, and food, and snowy mountain waters, To bid us love this land.

This is our land. Of our own will, we render

Allegiance, and a glad, unasked surrender.

If we should stray abroad, let us, in absence,

Strive ever to express our true allegiance.

Attempting to epitomize, though slightly.

Truth, Courtesy, And Honour— Cherished rightly In this our chosen land.

This is our land. Should our thought, truant-playing,

Through fields and woods of childhood go a-straying,

We need not curb or halter recollection.

For, by such memories, the true affection

And fealty we offer, is far greater Than had unconscious birth made

Alma Mater

Of this—our chosen land.

Recollections of these cars which once were "this year's models" . . . 30 years ago.

Chevrolet manufactured 30 years ago by the Chevrolet Motor Co.

Water Question Is Not New Problem in Saanich

Current keen awareness of the need for a constant supply of water to all parts of Saanich Peninsula spells a renewed discussion of an old subject. Thirty years ago The Review published a number of comments on the question of water. These were summed up by the then

superintendent of Saanichton Experimental Station, Prof. E. M. Straight.

Some parts of Vancouver Island do not suffer from lack of water, stated the superintendent, but Saanich Peninsula is dry and particularly so during the growing season. The authority expressed mild surprise that growth on Saanich Peninsula persisted during the summer season. Professor Straight quoted an authority in New York who had experimented with the amount of moisture required to produce certain weights of dry matter in vegetation.

NEED FOR WATER

One pound of dry matter in oats required 322 pounds of water; the same weight of dry matter in corn required 234 pounds of water and a crop of 450 bushels per acre of potatoes required 1310 tons of water. The water, he explained, passes through the plant from the roots to the leaves continuously throughout its growth.

It was not the beginning of agitation for water, said Professor Straight. Reams of correspondence had been written on the subject. The summary reached by the superintendent placed the onus of the question squarely on the City of Victoria.

The summary was divided into three sections. They are printed below for the benefit of those who are discussing the same point, 30 years later.

SUMMARY

"The City of Victoria, in taking over these rights accepted the consequent responsibility to furnish water to Saanich, including North Saanich."

"North Saanich, being an unorganized district, has no official voice. It would seem that any request for water must be made indirectly through the provincial government. The people of North Saanich may rest assured that in

Why That Name?

Naught, or not, is a corruption of the Anglo-Saxon, he ought. It is a negative of ought, anything whatever.

Neighbor, is also from the Anglo-Saxon. It originates from neah, nigh and bur, a husbandman.

Nickname is an etymology. The "n" has been added to form neke-name and then nicknames. Literally a name that is added.

Nightingale is a singer by night. The Anglo-Saxons named him night gale, night-singer.

Detroit and produced at Flint, Michigan, Tarrytown, N.Y., Oakland, California and Oshawa, Ont.

Equipped with a four-cylinder motor whose design was maintained for nearly two decades, the Chevrolet was an overhead valve unit noted for its economy of operation and resistance to abuse. The engine was rated at 21.75 h.p. Only exception to this engine size was the unsuccessful "Baby Grand" eight-cylinder car of the First War.

In 1926 the Chevrolet was produced in one engine size. There were two different models each offering a choice of coachwork. The cheapest in the range was the tourer. In either two-seater form, or with accommodation for five, the price was set at \$510 (U.S.). The highest priced model was the live-seater landaulette at \$763 (U.S.).

this they will have a very sympathetic hearing. This will probably lead to a water board with power to carry on. Whatever plan is adopted the people must pay for the project, even though spread over many years. This would mean interest and sinking fund sufficient to meet the expenditure at a given time."

RESTRICTIONS ON
FIREWORKS

Use of fireworks of all kinds is
restricted throughout the province
to the week of October 24 to No-
vember 1. Under the Fireworks
Regulation Act, which was passed
by the provincial government in
March of this year, no fireworks
may be sold, given or discharged at
any other time of the year than the
specified week. The only exception
to this regulation is that a person
or organization may obtain special
permission to discharge fireworks
from the fire marshal or a local as-
sistant to the fire marshal.

All readers should note the pro-
visions of the new act and take pre-
cautions against using fireworks at
any other time.

The act designates as fireworks,
cannon-crackers, fireballs, fire-
crackers, mines, Roman candles,
sky-rockets, squibs, torpedoes and
any such other explosives as may be
designated by the Lieutenant-Gov-
ernor in Council.

This restriction may be adopted
by municipalities. It is already ap-
plicable in unorganized territory.

ROTARIANS HEAR
OF HOLIDAY
IN ENGLAND

Sidney Rotary Club heard guest
speaker Frank Richards of The Re-
view on Wednesday evening, Oct. 10.
Mr. Richards has just returned
from England. He gave the Sidney
Rotarians a word picture of Eng-
land, and the changes that are tak-
ing place. To some of the Rotarians
who came from England originally,
it was interesting to hear of the
vast apartment and building de-
velopment taking place in and
around the industrial centres like
Birmingham.

The speaker explained that it
was a very necessary step as hous-
ing is in great demand over there.
The speaker was thanked by Ro-
tarian Tom Flint.

FRATERNAL NOTICES

STILL OPEN
FRIDAY NIGHT

A number of Sidney business-
houses are definitely continuing
Friday evening sales hours.

William Laird, proprietor of Bea-
con Market and head of the Sidney
and North Saanich Chamber of
Commerce committee which intro-
duced Friday evening business hours
into this community many months
ago, this week asked The Review to
correct a mistaken impression given
by other newspapers with regard to
the Friday evening hours.

"A number of business firms plan
to continue giving service to the
buying public on Friday evenings,"
Mr. Laird said. "In the case of our
own business this additional service
is appreciated by the buying public.
This is evidenced by a steadily
increasing sales volume. Some other
businesshouses are experiencing the
same public support and will defini-
tely continue to oblige their cus-
tomers on Friday evenings."

DEEP COVE

Miss Ruth Trousil, of Toronto, is
a guest at the home of her parents,
Mr. and Mrs. H. A. Trousil.

Miss W. J. Brown, Madrona Drive,
is spending a week in Seattle.

Mrs. B. Haddow, Victoria, is
spending a few days at the home of
Mrs. Bowes, Clayton Road.

D'Arcy Trousil, R.C.M.P., has re-
turned to Ottawa having spent his
holidays at the home of his parents,
Mr. and Mrs. H. A. Trousil.

Recent guests at the home of Mr.
and Mrs. P. C. Mollet, Laurel Road,
Deep Cove, were Mr. and Mrs. V.
Robertson and son, Robert; Mrs. W.
Christiney, Mr. and Mrs. W. D. Pat-
terson, all of Fulford, and Mrs. M.
Myers, Chemainus.

Recent guests at the home of Mr.
and Mrs. H. Trousil were: Mr. and
Mrs. Chester Setter and daughters
Anna and Doreen, of Kelowna; Mr.
and Mrs. Lynn Burgess, Vancouver,
and daughter Melba; and Miss Mar-
ion Sadler of Regina, Sask.

VISITS HOME

Miss Jean Griffiths, daughter of
Mr. and Mrs. Griffiths, Third St.,
is expected home from Sarnia, Ont.,
this week.

BRITISH MG
Sports Car Breaks 63 Speed Records

KEN MILES OF LOS ANGELES, California and Johnny Lockett of Claverdon, Warwick, England, (left to right) beside the streamlined MG sports car which they co-piloted to 16 new international and 48 American Class F records on the 10 mile circular course laid out on the Salt Flats at Bonneville, Utah. The little 1489 CC, 4 cylinder car performed brilliantly for 12 straight hours covering 1700.57 miles at an average of 141.71 MPH for the run. This includes stops for mechanical check up and refueling. Gasoline performance averaged better than 25 miles per gallon. The chassis of the MG is basically standard, as are suspension, wheels, brakes and steering. The engine is not supercharged.

NURSING DISTRICTS REVISED AS ISLAND NURSE MOVES NORTH

Miss Elizabeth Layton, public health nurse, has just returned from a business trip to Port Renfrew, Harris Creek and Bear Creek, on the west coast. This district has been recently assigned to her as part of her district, together with Salt Spring Island and the other Gulf Islands. Miss Layton was introduced to her new district by Miss K. Comerford, P.H.N.

They travelled by car to Bear Creek via Shawnigan Lake, then took an hour-long trip by speeder to Port Renfrew. Child health clinics were held at Bear Creek and Port Renfrew. Dr. Kenneth Davies examined all infants and pre-schoolers present.

Schools in these districts were visited and Salk vaccine given. Examinations of the children's teeth showed very clearly the splendid work being done through the government dental clinic, similar to the one on Salt Spring.

DENTAL CLINIC
 The organizing of the dental clinic committee, headed by Mrs. Brennan, is second to none and al-

ready appointments are made for the dentist's visit next May.

The dentist visits these points for two weeks each year, usually in May. Five trips a year are planned by Miss Layton, with the next one about November 4. James Island school and child health clinics at James Island and Sidney were part of Miss Layton's duties, but these are now taken over by Mrs. Monty Croft, P.H.N. Miss Layton also served the North Saanich high school district for four years, but this district is re-arranged now, and is included in the work done by Mrs. Frances Jordan, P.H.N.

ONE DISTRICT
 Mrs. Jordan serves the elementary school there and it was felt that the same nurse should also look after the high school as many families of both schools are included in the area. The public health nurses mentioned are included among those in the Saanich and South Vancouver Island Health Unit, of which Dr. A. N. Beattie is medical health officer and Miss Mary Dunn, M.A., P.H.N., is nursing supervisor.

HE TRAVELLED 2,000 MILES

AND IT TOOK HIM FOUR MONTHS

A member of Salt Spring Island residents met at the Anglican parish hall at Ganges to hear and meet two missionaries currently visiting the island. They are Miss Ruby Lacy and the Rev. Donald Whitbread and his bride, daughter of Mr. and Mrs. S. A. Thomson of Fernwood.

Miss Ruby Lacy has just returned to her home after two years' work at the Aklavik Anglican missionary hospital. She addressed the meeting and showed color films taken by herself in the Arctic. They included sunrise and sunset scenes, gardens, both flowers and vegetables, and the fishing, all in full color.

The Rev. Donald and Mrs. Whitbread were married in Yellowknife two weeks ago, and are honeymooning on Salt Spring. Mrs. Whitbread has just finished working for the Anglican Sunday school mail service. A thousand children of all denominations receive lessons by mail. She also worked at the Holy Trinity College, in the slum districts.

FOUR MONTHS AWAY

Mr. Whitbread is a missionary of the farthest north, at Spence Bay in the Arctic. He was previously based at Pond's Inlet but was moved to Spence Bay, a distance of 1,900 miles. This trip took him four months by dog team. Mr. Whitbread spoke of his work among the Eskimos. He speaks their language and does considerable translation of books for them.

At the conclusion of the talks, Mrs. W. Norton, president of the

Women's Auxiliary, presented corsages to the ladies, with a small gift of appreciation of her work to Miss Lacy and a wedding gift to the Rev. Donald and Mrs. Whitbread. Mrs. F. Baker sang a wedding hymn that had been composed by Mr. Whitbread. She was accompanied by Mrs. W. Palmer. Refreshments were served by the W.A. Miss Lacy and Mrs. Whitbread are both prayer partners of the Salt Spring Island Women's Auxiliary and the Vesuvius Circle.

GALIANO

Mr. and Mrs. J. Drew and Mr. and Mrs. J. H. Drew and Dick spent the Thanksgiving week-end at Salamanca Point.

Bob Marshall was at Beaches last week-end.

Miss Carol Robson and Don Robson were home from their Vancouver schools for the holiday.

Dan Martin has returned to the island after spending the summer at Minstrel Island.

Miss Beth and Miss Belinda Bellhouse have arrived home after a holiday in the Cariboo.

Don Gillis, of Port Mellon, spent last week-end on the island.

Mrs. A. B. Jones is spending a few days with Mr. and Mrs. J. P. Jones, and Miss Dee Jackson, of Vancouver, was their week-end guest.

Miss Maxine Hillary was home from school in Duncan for the holiday.

Mr. and Mrs. H. Anderson spent the Thanksgiving week with Mr. and Mrs. J. Rennie in Victoria.

Mrs. R. W. Ricketts has returned to Victoria after spending two months at Galiano Lodge.

Mr. and Mrs. E. J. Bambrick and family spent the holiday week-end on Vancouver Island.

Mr. and Mrs. Alan Best, of Vancouver, were at their island home last week-end.

Mr. and Mrs. R. Thompson and family, of Vancouver, were visitors here over the week-end.

David Bellhouse has returned home after a stay at Lady Minto hospital in Ganges.

A Thanksgiving service was held at St. Margaret's church on Sunday, Oct. 7. Rev. H. M. Bolton, of Victoria, officiating. The church had been beautifully decorated by members of St. Margaret's Guild.

Harvest Festival At Fulford Church

A very beautiful harvest festival service was held on Sunday at St. Mary's church in Fulford. The decorations of fruit, flowers and vegetables brightened the church. The old harvest hymns were sung by the children and congregation, with a special hymn for the children, "All Things Bright and Beautiful", which fitted in with the occasion.

Archdeacon Holmes spoke to the children and thanked them for their help in the service. A number of visitors were present and there was a good attendance.

SUPERINTENDENT

T. W. Smith has been appointed superintendent of the Lakehead Terminals, Canadian National Railways.

THE GULF ISLANDS

NORTH PENDER

Mrs. John Carver and daughter, Margaret, of Victoria, were recent visitors of the former's father, Dick Oliver, at Armadale.

Mr. and Mrs. S. P. Corbett have returned from a holiday spent in Victoria.

Mrs. Ben Sweeney, of West Vancouver, has returned to her home, after visiting with Capt. and Mrs. C. Claxton for a few days.

Mrs. Duncan MacDonald is home after a week visiting with relatives in West Vancouver.

Mr. and Mrs. Owen Bingham returned on Saturday from a Vancouver holiday.

Miss M. MacGregor is the house guest of her brother-in-law and sister, Capt. and Mrs. C. Claxton.

Mr. and Mrs. George Lawson spent Thanksgiving week with relatives in Vancouver.

Mr. and Mrs. W. B. Johnston of Victoria, formerly of Pender, visited recently with Mr. and Mrs. Victor Menzies, and renewed old acquaintances. Mrs. Johnston, when in residence on the island, was the first Pender correspondent to The Review.

E. Sedgewick returned to his home on Thursday, after some weeks in the D.V.A. hospital, Victoria, undergoing surgery on a leg condition suffered during the First World War.

J. J. Martinich was a business visitor in Vancouver last week.

Dave Menzies and Howard Harris, of Haney, formerly of Pender, visited the island last week, aboard the latter's yacht, Evensong.

Mr. and Mrs. George Tracy, of Vancouver, spent the week-end at their Armadale home.

Ed. Hughes has returned to his Browning Harbor home, after being a patient in the Veterans' hospital, Victoria.

W. L. Shirley was a business visitor to Victoria last Thursday and Friday.

Mr. and Mrs. R. G. Straker left Monday for a holiday in Victoria.

Mrs. Ethel Beech is recovering from surgery in the Vancouver General hospital, and expects to return to her island home shortly.

Miss Marjory Busted spent a few days in Victoria last week, where she visited friends, Mr. and Mrs. Trevor Houser.

Mr. and Mrs. James Godkin week-ended in Victoria.

Pender Flashes

A goodly number of Boy Scouts and their leaders, from Victoria, camping on the old Hope property, Browning Harbor Road. . . . George Logan constructing a large new garage. . . . A busy "bee" of volunteers giving the interior of the Port Washington hall a rubbed paint finish. . . . The new Pan-abode coffee shop at Hope Bay nearing completion. . . . Eight cars of an overload left at the ferry wharf Thursday, while drivers fumed. . . . The one bunkhouse remaining at the burned-out Otter Bay Fisheries plant being renovated to house 30 Power Commission crewmen. . . . And a "new look" to the landscape as trees come down along country roads to make way for power lines.

FERRY CREWS ATTEND DINNER FOR EMPLOYEES

The Gulf Islands Ferry Company held a staff dinner meeting on Wednesday, Oct. 10, at Harbour House hotel, Ganges.

Those attending the meeting included: Captains G. A. Maude, J. R. Browne, G. G. Hodgson, E. O. J. Lacy, G. Ruddick; Mates E. J. Harrison, L. Mollet, P. Lynen; deckhands J. Anderson, G. Gardner, I. Luck, B. Davis, L. Fraser; engineers G. Croft, D. Cousineau, A. D. Dane, T. Gurney, K. Kinghorn; oilers J. P. Hawksworth, R. Young; emergency crew N. Mount; secretary-treasurer, V. C. Morris; bookkeeper, L. Procter; directors, D. G. Crofton and G. C. Mount.

After enjoying an excellent meal, a round-table discussion was held. Consideration was given as to the best way to improve the service for the travelling public. A frank and worthwhile talk made all feel that the meeting was indeed a success, and that more such meetings should be held.

This was the first occasion that the staff has met together since the expansion of the ferry service. The company now has 25 full-time employees and all concerned were agreeably surprised at the size of the group.

Set Date For Bazaar

The monthly meeting of St. Margaret's Guild was held Wednesday evening, Oct. 10, at the home of Mrs. Stanley Page, at Galiano.

Plans for the annual bazaar were discussed and the date was set for Wednesday, Nov. 21. Refreshments were served by the hostess, Mrs. Page.

KIDNEY ACIDS Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves" when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Dodd's help the kidneys so that you can rest better—and feel better.

Dodd's Kidney Pills

BIG RETURNS AT GALIANO PARTY

A delightful and well attended party was held by the Galiano P.T.A. on October 6 in the hall.

D. A. New showed some beautiful and interesting color pictures, which were followed by bingo. The evening finished up with square dancing and refreshments.

Mrs. M. Prior, of Vancouver, won the giant food hamper. The pumpkin weight guessing prize was won by Miss D. Nelson, of Vancouver, and George Rennie.

Proceeds from the sale of hamper tickets netted \$142 for the P.T.A.

FULFORD

Mr. and Mrs. R. C. M. Russell and two children, David and Mary, spent a few days with H. Smith before returning to Vancouver last week.

Monthly meeting of the South Salt Spring Island Women's Institute will be held on Thursday this week at the home of Mrs. C. Kaye.

Miss Beatrice C. Hamilton has been visiting friends in Vancouver for a few days.

Mr. and Mrs. Hubert Smith, from Victoria, and three children, Wendy, Irene and the baby, were guests of H. Smith recently. Also visiting Mr.

Brighter Stars for Drive-in-Viewers

Your favorite movie star's smile beams three times as clear and bright from an aluminum screen recently developed for outdoor theatres.

The new screen has won the praise of both audiences and owners. Little wonder the latter like it: one operator found his receipts increased by \$40,000 in two months after he replaced his conventional screen with the highly reflective, weather-proof aluminum job.

And so it goes. . . . Still another improved product, still another use for this versatile modern metal. The result: everybody gains by production from Canadian smelters that already account for a quarter of the world's primary aluminum.

Witnesses Visit Galiano Island

On October 7, at 1 p.m. in the Community Hall at South Galiano, a very fine public talk was delivered by Michael Lebid, a special representative of the Watch Tower Society. The subject was "Has God's Purpose For Mankind Failed?" Mr. Lebid has been an ardent student of the scriptures for many years and he and Mrs. Lebid have just recently graduated from the Watch Tower Bible School at Ithaca, New York.

Mrs. Lebid stated that God's purpose for mankind has definitely

Smith was his brother, H. H. Smith, Victoria, who has just retired as editor of The Challenge after doing this work voluntarily for about 15 years.

Mrs. Mary Hersey returned to Fulford on Monday after being in Vancouver for several weeks.

not failed but that mankind has failed to please God. The result is that many undesirable conditions prevail on earth today that honest hearted persons do not like to see. Jehovah's witnesses from Vancouver Island were impressed with the new schedule of the ferry services, and especially the friendliness of the staff and hospitality shown them by the residents of Galiano Island.

EXPERIMENTAL FARM NOTES

WEEKLY REPORT OF NORTH SAANICH STATION

BROWN FOLIAGE ON NATIVE CEDAR

Numerous queries have come to hand regarding the brown and dying branchlets on a great many native cedar trees in this and surrounding areas. This year the trouble appears to be more prevalent than usual. In looking for an explanation some have attributed it to winter injury probably because last November freeze is still indelibly imprinted on everyone's mind. On the other hand, one is reluctant to accept the explanation that a tree as hardy as the native cedar could be hurt by last winter's low temperatures. Also, the fact that the injury shows up particularly in the late summer season, which lends some support to the assumption that if it were winter injury, earlier and more positive evidence would have been noticed. At any rate, whatever the primary cause, last November's chilly blasts could have aggravated the underlying cause.

In order to determine if a disease were the cause and what could be done about it, specimens of affected branches were submitted to the forestry biology division in Victoria in late September. The following is the informative reply received from A. C. Molnar, officer in charge of forest disease survey. Although Mr. Molnar's answer leaves something to be desired in respect to remedial measures from a gardener's standpoint, he has amply satisfied us that we need not worry about it being a pathological disease—none was found.

"We received your letter and your cedar foliage samples arrived in good condition. An examination of the material showed no sign of pathogenic activity. While we cannot be sure of individual cases without examining for root disorders or other possible causes of systemic injury, the condition you describe is very similar to that which we have attributed to unfavorable habitat conditions. We have received many

Delegates Named To Vancouver

A meeting of Social Credit Group, No. 8, was held on Tuesday, Oct. 9, at Farm House Inn, Galliano.

R. Gamman and R. Hepburn gave a report on the activities at the Cretton convention.

R. Gamman was elected as a delegate to the annual convention in Vancouver on November 9 and 10.

reports in the past, particularly during unusually dry summers, and field examinations and laboratory tests have failed to reveal a pathogenic causal agent.

"Cedar, as you know, is rather partial to moist sites and is intolerant to exposure. It will suffer quickly from changes in drainage and exposure and I believe this condition has frequently been the cause of foliage discoloration, particularly in areas of recent development.

"With regard to control measures, it is unfortunate that too little is known of the specific requirements of cedar. While under garden conditions an abundant supply of moisture and protection from over-exposure can go a long way to help, it is not always the whole answer. In nature cedar attains its best development in bottom lands and even swampy areas where nutrients are periodically replenished by a rise in the water table. This situation, of course, cannot be readily duplicated in culture and unfortunately too little is known of the microthizal relationships of cedar and how much these may be affected when the tree is propagated in cultivated soils.

"I am sorry that I cannot be more specific in suggesting control measures for this problem."

FALL CARE OF LAWNS

There is nothing really different to do to your lawn in the fall from what would be best for it at other times in the year. Of course, at this time one naturally thinks of falling leaves and twigs so the first step is to rake the area and clean up all debris. You don't need to rake up all the dead grass clippings. The clippings are valuable as a mulch and as a source of nutrients. They decay quickly and will become part of the soil by spring.

If the lawn has bare spots or areas of very thin grass it may need some reseeding. Prepare the bare spots by raking to loosen the surface layer of soil and reseed with the same variety or varieties of grass that predominate in the established lawn. A very light raking or rolling should follow seeding to cover the seed. If weeds are present they should be removed prior to seeding.

If the grass has not been mowed recently and is quite long it should be cut and any clippings removed where there is danger of them smothering the lawn. Grass winters better with fairly long top growth, so do not set the mower to cut below 1½ inches.

The final fertilizer application should have been made in September. However, if it has been forgotten apply now and wash off the grass by sprinkling to prevent burning. More detailed instructions on lawn care are available in the Saanich Experimental Farm Mimeograph No. 153.

C.N.R. APPOINTMENT

R. A. Plisk has been appointed district engineer for Canadian National Railways at Edmonton.

Heads Chamber

RAYMOND DUPUIS, Q.C.

Raymond Dupuis, Q.C., Montreal, was elected president of The Canadian Chamber of Commerce at the national business organization's 27th annual meeting at Quebec City, October 15-18. Mr. Dupuis, who is president and managing director of Dupuis Freres Limited, Montreal department store and mail order house, knows Canada and Canadians well because of his wide business contacts and his cross-country activities with the Canadian Chamber. A leader in Chamber of Commerce activities, Mr. Dupuis has served during the past year as national vice-president of The Canadian Chamber, and has been president of la Chambre de Commerce du District de Montreal. Activities in association, community and welfare work include: former vice-president of the Canadian Retail Federation, past president of the Federation of French Catholic Charities, governor of Notre Dame and St. Justine hospitals in Montreal. Mr. Dupuis holds directorships in the Royal Bank of Canada, Shawinigan Water & Power Company and a number of other companies and he also is chairman of the board of directors of a number of insurance firms. He takes over from J. G. Green, Toronto, former president of The Canadian Chamber of Commerce.

Answer on Page Nine

COURSES ARE STILL OPEN FOR VETERANS

There are still a few vacancies in the V.L.A. "Build-Your-Own-Home" course at the Royal Oak high school. Under a new section of the Veterans' Land Act, veterans can build on a city-sized lot as well as on small holdings. Unless the veteran has had adequate experience in house construction, he may be required to take a building course before he builds his house under the V.L.A.

"Build-Your-Own-Home" courses are laid on at all centres on Vancouver Island this winter. The one which started in Victoria high school last week was overfilled. Another course opened also at the Patricia Bay high school in North Saanich on October 15.

The course consists of 18 to 20 two-hour periods of practical demonstration in house construction. These courses were originally in-

tended for veterans only but, where there are vacancies, non-veterans may register. Registration fee is \$15. Those interested in the Royal

How Much Hot Water Do You Use Each Month?

Plenty of hot water is needed in the modern home . . . hot water for bathing, for laundry, for dishwashing, for house-cleaning . . . in fact there are over 100 uses for hot water in the average household today.

If you have some non-automatic tank that requires attention down in the basement someone has to climb about 24,000 steps a year.

With a modern automatic electric storage water heater, you can have all the hot water your family wants, 24 hours a day, without any effort on your part. Automatic electric storage water heaters (insulated, like giant thermos bottles) provide clean hot water at the exact temperature you require at the low cost of approximately 90c to \$1 per person per month for the average family of four.

To get complete satisfaction you should make sure that you get the right size heater for your home. The following table will guide you:

Minimum Suggested Size Automatic Storage Water Heater		
No. of Bathrooms	No. of Bedrooms	Capacity in Gallons, Electric Storage Water Heater
1	2 or 3	40
1	4	50
2	3 or 4	60

In the case of larger homes than shown above, ask your appliance dealer or plumber for an individual recommendation.

Electric

New Giant Britannia For C.P.A.

Above is an artist's conception of Canadian Pacific Airlines' Bristol Britannia, the largest and fastest commercial aircraft in the world, which will go into operation on C.P.A.L. trans-Pacific and trans-Polar routes in 1957. Canadian Pacific Airlines has purchased five giant model 310 Britannias,

with an option for an additional five, for delivery next year. Capable of carrying 100 passengers, the new 400-mile-an-hour aircraft are powered by four Bristol Proteus 755 turbo-prop engines with the equivalent of 4,150 horsepower each. Fully loaded, the aircraft weigh 170,000 lbs.

UP ON THE WAYS

Mainly of Marine and Mariners

By Deckhand
The ways are hard at it again. Not only our own boats but ships from local islands and bays have been arriving for their autumn brush-up. Recently, Capt. and Mrs. D. H. McKay brought Servia around from Brentwood—a new addition to their fleet and ideally suited for charter purposes, as she was originally one of the ferry boats used between Horseshoe Bay and Bowen Island, B.C. Capt. McKay plans to run her from Butchart Gardens while Carmania, a 40-foot cruiser, is used for Gulf Island trips, together with Lucania, a 26-foot Rhodes designed auxiliary sloop. These jaunts, in addition to the charm and comfort of Brenta Lodge, have helped bring about the success and popularity of this picturesque spot on the Saanich Arm.

Miss Ethel Clarkson, of Galiano Island, brought her Islander down for winter storage. Ernie Atkinson has Osprey up for painting and another Saturna Island resident, Dave Jack, arrived with his pretty young bride, who valiantly assisted with the scrubbing of Saturna Maid. Doug Lassiter was here having Fulford Queen touched up after a busy fishing season and Len Jones' Maroka has just been hauled. Owen Fowler has Dulowna up for repairs, and Stu Skillings, complaining of a slight variation, came up of his propeller blades missing. He was off and out this week-end with a burst of speed. Our commodore, Phil Salmon and his family spent most of Thanksgiving week-end working on Sandra B, alongside E. A. Pyke, hard at work on Daisy D.

GRUELLING SEASON
We were glad to see Lieut.-Col. and Mrs. Arthur Connell call in for their overhaul after five months' fishing up Queen Charlotte Sound.

BUSY SEASON FOR ANGLICAN LADIES

The Anglican Church Women's Auxiliary held the regular meeting in the parish hall on Oct. 12, with Mrs. Norton in the chair. Mrs. Ashby, a new member, was welcomed. Mrs. Worthington and Mrs. Norton took the devotional and Mrs. Baker gave a reading entitled "Things to be Remembered".

The tentative date set for the annual Christmas sale is December 4. Miss Freda Baker is planning to bring a concert party again for an affair in the spring. Mrs. Baker, convener, reported on arrangements for the harvest supper to be held next Friday, Oct. 19, in the parish hall at 6.30 p.m. Mrs. F. H. Baker is in charge of the program. Tea hostesses for the afternoon meeting were Mrs. Worthington and Mrs. Baker.

Answer to This Week's Puzzle

FIRE PREVENTION BURNING QUESTION

Under the title, "The Burning Question", Sidney Parent-Teacher Association took part on Monday night in a program planned around Fire Prevention Week, which had just been observed.

By means of a technical film showing the new methods in correct and wise use of water, creating steam to smother the fire at the onset, Fire Chief G. A. Gardner showed the members the constant battle that is being waged against this No. 1 killer.

Mr. Gardner read some startling statistics showing that Canada leads the field in fire losses, and then, using an enormous poster quiz which had been prepared by the program convener, Mrs. V. Cowan, led the audience to face up to the question, "How 'Hot' Is Your House?" The speaker was thanked by Miss D. Williamson, grade three teacher.

President Mrs. J. D. Pearson conducted the business session and announced that the fall tea would have to be postponed until the new activity room is completed. A letter from the Saanich Peninsula Parent-Teacher Council accepted the Sidney P.T.A.'s invitation to hold the council meeting in Sidney school on February 11.

NEAR CENTURY
Membership is now over 90 and it was decided to observe Young Canada Book Week next month by a shower of suitable, used books for the classrooms.

A letter of good wishes will be their garden and now Harry tells us he has been asked to grow special varieties of tulips for exhibition at the Garden Club show next year.

As we mentioned before, the machine shop is a hallowed section of the yard where only experts dare tread, but Deckhand just happened to slide past a window and hear happy talk of a valve refacer about to make an appearance. Leaned against the door recently and noticed that it had arrived! Will back out on this bright note—bye for now.

BRITISH AUSTIN-HEALEY Breaks 22 Speed Records

LEFT TO RIGHT ARE CO-DRIVERS Carroll Shelby, Dallas, and Roy Jackson-Moore, Los Angeles, with Donald Henley, designer of the car that set 6 new International and 22 American Class D speed records at Bonneville Salt Flats, Utah. Among the records broken were 4 set by George Barringer on these same Salt Beds in 1940. The records had withstood all challengers for 16 years. With these new speed achievements the Austin-Healey now holds every record in its class from 1 to 3,000 miles. This model is a slightly streamlined version of the standard Austin-Healey sports car with all basic specifications standard, including head lights and tail lights. Its power is supplied by an Austin A-105 engine running on regular premium grade gasoline.

sent from the meeting to Vice-President Les Cox, who is in hospital following a serious accident. The president urged all members to support the benefit fund which has been established.

A tentative budget was presented and it was announced that the program committee will handle all publicity. Mr. Millburn had accepted the chairmanship of the safety committee.

ENDORSE PROTEST

The meeting discussed a resolution put forward by the principal, Mrs. B. Lassfolk, protesting the proposed move to try young offenders in the adult court without first bringing them to the juvenile court. This was endorsed and will be forwarded to the B.C. Parent-Teacher

Federation for consideration, to be dealt with at the 1957 convention. Mrs. J. D. Pearson was nominated as delegate to the regional conference to be held in Victoria on November 28.

R. N. Shanks spoke briefly on children's savings and stated that his committee would be in the school next Thursday at noon to receive any deposits the youngsters might wish to make.

The fire prevention poster contest, sponsored by the P.T.A., had been enjoyed by the children and the winning and honorable mention posters were on display in the halls. Presentation of prizes to the following winners was made by the president, Mrs. J. D. Pearson, on Tuesday: grades 1 and 2: 1, Jimmy Cuning; 2, Penny Baldwin; 3, Mal-

JAMES DEAN IN SIDNEY FILM ON THURSDAY

James Dean stars in Warner Bros' "Rebel Without a Cause", opening on Thursday at the Gem Theatre. He plays a teen-ager who is caught in the undertow of today's juvenile violence as he seeks to become a member of a juvenile

gang. The part is as dramatic as the one he played in "East of Eden". Natalie Wood has the part of Dean's girl friend, making her transition from child parts to one of deep dramatic significance. "The Last Command", at the Gem on Monday, Tuesday and Wednesday, October 20-21-22, depicts James Bowie as Davy Crockett in thrilling drama of the Alamo. It is a stirring picturization of a thrilling chapter in American history between a band of Texans and the army of General Santa Ana, of Mexico, from the outbreak of the trouble to the fall of the Alamo.

THE WINNER
Refreshments were served by Mrs. W. Gardner and her committee. Winner of Gem Theatre \$10 draw for last week was Laurence Theaker.

TWO GROUPS MARK 108TH ANNIVERSARY INAUGURATION OF CREDIT UNION SYSTEM

Two credit unions in the district will mark the prominent day in their calendar, Thursday, Oct. 18, with a reflection on their successful operation. They will be Saanich Peninsula Credit Union and Pender Island Credit Union. Thursday is Credit Union Day.

On Pender Island members will go gay with a cabaret supper dance in the Hope Bay hall on Friday evening. Wayne Bradley's orchestra will be in attendance and the evening will feature a floor show and other attractions.

EARLY MEETING BRINGS NEW P.T.A. MEMBERS

First meeting of the Sansbury P.T.A. was held on October 2 at the temporary school quarters at the Victoria Flying Club.

Judging by the promising turnout of parents, the coming 1956-57 season should be a busy one.

Mrs. D. R. Ross, program chairman, convened the evening's events. Mr. Fry, the new principal, gave the members a talk on the "shift system", in all its aspects. A general discussion followed between teachers and parents on that same subject.

With a larger number of parents and children represented, the new school additions to Sansbury school are eagerly awaited. Plans were laid for a social event to be held in early December. Refreshments were served by Mrs. R. H. Turly, social convenor.

area, when it sponsored school savings clubs. These clubs now boast 300 members with assets of \$7,000. March, 1955, saw the introduction of deposit accounts whereby members may withdraw by cheque.

CHARACTER PAYS
Basis of the system is to loan money on the basis of character, rather than relying on security. The infinitesimal number of bad accounts is cited as evidence that character is a reliable guide to commerce. Of \$250,000 loaned to members since it was opened, Saanich Peninsula Credit Union has written off only \$94.

Pender Island group is a more recent organization. It already numbers 85 members and holds assets of \$3,993. Personal loans amount to \$2,049.

Headquarters of the island group is at Hope Bay Post Office. Saanich group has an office on Third St. in Sidney.

GOVERNMENT TO EXTEND LOCAL PARK

Sidney and North Saanich Chamber of Commerce, in dinner session on Tuesday evening, noted with pleasure the decision of the provincial government to acquire additional acreage contiguous to McDonald Park in North Saanich for the purpose of expanding the popular park's services. The park has operated to full capacity all season and the chamber is confident that additional campers next year will tax the new facilities.

Gordon Hulme, reporting for his committee, stated that the provincial government has made considerable progress in opening access roads to the beach in North Saanich. He had learned that the public was appreciative of this gesture.

Mrs. Geo. Gray reported that the provincial government had shown some inclination to purchase a smaller Gulf Island for use of picnic parties in boats. This matter will be pursued by the chamber. It was made clear that this development is in addition to the plan to develop a part of Sidney Island as a yachting basin.

Charter Service In Great Demand

The Gulf Coast Charters are now offering, fast, inter-island water taxi and charter service to the Gulf Islands. C. W. Leggett has taken charge at Ganges.

The trim 18-foot Bell Boy cruiser, powered with a 100 h.p. Grey marine engine with V-drive, does 30 knots. This attractive yellow boat with black trim is becoming a familiar sight to Ganges Harbour.

There is another boat, twin to this vessel, operating from Sidney. These boats serve the Gulf Islands, going anywhere at anytime.

INVESTMENT OPPORTUNITY EASY FOR EVERYONE—C.S.B.

"The very fact that Canada Savings Bonds are going on sale this month for the eleventh consecutive year is surely sufficient reason for everyone—even youngsters with a modest income—to take advantage of this government-guaranteed investment." So says Jack Johnston, B of M manager at Sidney, who believes that this year's CSB's are the best bonds of their kind to date.

"First", says Mr. Johnston, "they are absolutely safe, because you can redeem them at any time at full face value, plus interest.

"Second, at a yield of 3.76 per cent, if held to maturity, they have the highest return of any savings bond to date.

"Third, they are the easiest—to buy of all investments, because—for just five per cent down—you can purchase a bond, and pay the balance in easy monthly instalments over a year. Just \$2.50 down for a \$50 bond—and less than a dollar a week pays the balance."

Mr. Johnston is urging everyone in Sidney who may be considering this "investment opportunity of the year" to act without delay. He says you can buy CSB's without any fuss or bother. You just fill out a simple application at his office, make your five per cent down-payment, and the B of M does the rest. ...

2nd STREET • SIDNEY, B.C.

In and AROUND TOWN

Continued from Page 2.

Mr. and Mrs. Van Engelen, Fifth St., have left for an extended holiday in their native Holland. They will return home after Christmas.

Duncan Gurton, formerly of Sidney, was a visitor at the home of his uncle and aunt, Mr. and Mrs. A. Gunn, McTavish Road. Duncan left on Monday for the vocational school at Nanaimo, where he will study diesel engineering.

Canadian Scottish Cadet Corps (North Saanich) stayed overnight in the drill hall at the airport during the week-end and combined military training exercises with the cadet corps of Victoria. In the training exercises, a Bren-gun carrier was taken to the fields by driver mechanics. The cadets from Sidney were Pat Johnston, Lloyd Magee, Bruce Brodie and Stuart Skinner.

Mrs. F. W. Butler, accompanied by her two children, Billie and Debbie, arrived from Medicine Hat to be the guest of her parents, Mr. and Mrs. S. Taylor, Fourth St. Mr. Butler will join his family later. Melvin Baldwin, Bob Baldwin, Trueman Green and Sid Buttrick were among those in the district who were hunting in the Caribou for a few days.

Mrs. S. C. Buttrick, accompanied by her baby son, Douglas, visited her parents in Victoria for a few days.

Mr. and Mrs. Owen Thomas returned to their home on Third St. after a combined business and pleasure trip in Vancouver.

After spending two weeks with her sister, Miss A. M. Sherrin, Towner Park, Mrs. Wm. S. Edgar returned to her home in Oakland, Calif. On her return she was accompanied by Miss Sherrin for a visit in Vancouver and then to Seattle by plane. During Mrs. Edgar's visit, Mr. and Mrs. Frank Sherrin, of Vancouver, were guests of the former's sisters and stayed at the Hotel Sidney.

Dinner guests at the home of Mr. and Mrs. B. L. Martin, Third St., were Mr. and Mrs. Stoddart, of Saanich.

Mr. and Mrs. Philip Brethour, Oakland Farm, Patricia Bay Highway, have returned from a vacation in the Cariboo, Quesnel and Vancouver, travelling on the P.G.E.

Mrs. Phyllis Cowper, who is on the Sidney Bus Depot staff, left for the mainland where she will spend her vacation.

Mrs. W. Walton-Moore has been the guest of Mr. and Mrs. Stanley Brethour, Patricia Bay Highway, for the last two weeks and will return Thursday to her home at White Rock, B.C.

J. B. White of Dallas, Texas, was a guest at the home of Mr. and Mrs. Richard E. Gile, All Bay Road, and on leaving was accompanied to Calgary by Mr. and Mrs. Gile who returned to Sidney on Sunday.

Mrs. Wm. Runge, of Edmonton, has been the guest of her brother, Harvey Lutz, Shoreacre Road.

Dr. Peter Orgell of Glenlyon school, Victoria, was a guest last

Wonderful what these educational toys will do.

TEACHERS' CONVENTION

Unlisted holiday will be enjoyed by students of Saanich School District on Friday, Oct. 26. Teachers of the district will attend their annual convention in Nanaimo on October 26 and 27. Approval was given by school trustees on Tuesday evening.

week-end at the home of Mr. and Mrs. Richard Gile, All Bay Road.

Recent guests at the home of Mr. and Mrs. M. B. East, Ebor Terrace, were the latter's brother and sister-in-law, Mr. and Mrs. E. S. Johnson, Port Alberni.

Mr. and Mrs. E. A. Steeves, recently moved from Chilliwack and have taken up residence on Ebor Terrace.

Mr. and Mrs. H. A. Johnson, of Port Alberni, were guests at the home of the former's sister and brother-in-law, Mr. and Mrs. T. C. Gummer, also his parents, Mr. and Mrs. H. H. Johnson, Princess Ave.

Mr. and Mrs. O. Berg have moved from New Westminster and are taking up residence in Sidney.

Capt. and Mrs. MacDonald and four children, of Victoria and formerly of Toronto, have recently taken up residence on Weiler Ave. Capt. MacDonald is stationed at Gordon Head.

BIGGEST ELK BAGGED BY SIDNEY MAN.

John Elliott, Sidney electrician is a busy man at present wiring homes on Mayne Island in anticipation of an early supply of electricity to that island. Galiano Island is already served by the B.C. Power Commission and the switch will soon be turned to service Mayne.

But the call of the wild was heard by the electrician. He dropped his tools briefly for a short hunting trip in the Nanaimo Lakes area. In the vicinity of Sadie Creek, he bagged a mighty bull elk and is enjoying its wholesome meat.

The head was taken to Victoria where measurements showed that the left antler was 47 inches with five points, while the right was 46 inches with six points. It is recognized as the largest elk ever shot on Vancouver Island.

Mr. Elliott was accompanied on his hunting trip by a friend, Keith Perkins of Victoria.
